“ John and I both went to Clarkson. We laughed that he went to my family's bar in Hannawa and he helped pay for my tuition. I loved him because he was so genuine.

“ I worked with John for years at Xerox and talked with him on the phone and via email quite a bit since he retired, being the huge sports fan that he was we were always talking about baseball (Mets and Red Sox) and Notre Dame and Syracuse. I did meet him for lunch a few times as well and was very happy to spend a whole day with him a year or so ago when I met him in Johnstown and we went to the Baseball Hall of Fame in Cooperstown. He was VERY knowledgeable and a HUGE baseball fan and I know that he had a lot of autographs of some big names that he collected from when he was a young man and throughout his life. I am deeply saddened to hear of his passing as I thought a lot of him and my sincere condolences to his family, he was a very classy and bright guy and very well spoken and I will miss him very much.

“ I just learned of John's passing from another colleague that used to work at Xerox. I cannot believe that he is gone. Years after John retired, customers would ask about him - as he made such an impression on everyone he did business with. My thoughts and prayers are with his family.

“ So sorry for your lose. John was a great human being and will truly be missed by all that knew him. I will really miss him stopping by to visit and complain about all the problems around us and the way would harass each other. Again, my deepest sorrow.

“ To my summer family, My hart is sadden by the passing of my "summer dad". Always giving me slack on my southern drawl. I cannot remember a time when he did not live next door to my grandparents. I pray that you are able to find peace within each of you. I may be thousands of miles away, but right now I'm with you guys, hanging out as we did as children. Sending my love, I will miss him so.

Much Love,
