“ To my uncle, you were the one who could walk in a room and everyone would laugh and smile. It still amazes me the way you could do that. From motorcycle rides, to prom, to graduation thru them all you were always there. To the cancer that almost made you miss my special day. You stood tall and proud when I said I do. Then I watched you dance with aunt Lori and I knew, the love you two shared was what I wanted. That insanely intense love for her and your family. I started a family and had our little girl. This little girl who grew to love her Kunkle in ways no one will understand. She has so many beautiful memories with you that she will cherish always. Her Kunkle you will always be. Then your nephew by marriage who grew to love respect and be amazed by what a strong man you were. We will miss you always but we know you are here left behind in so many ways. We will love you always. Keep on riding high in the sky!

“ In Memory of a Wonderful Brother (author unknown)

I hold onto our memories  
The ones that are so dear  
To try to keep you always close  
Now you are not here  
You were called, it was your time  
But it is so true  
You have left a legacy  
There was no one like you  
You were very special  
And I want to say  
I feel lost in many ways  
You are not here today  
But I will never forget you  
And I know I have been blessed  
To have you for my Brother  
Because you were the best . . .

I miss you Shawn! I find comfort knowing that you and Jerry are together. Cherishing the memories until we meet again some day.

“ God's reasons are sometimes hard to know especially when it hurts our hearts, so badly. Shawn was truly one of the best, so I have to tell myself, god has had a plan, for him.

Purhaps he was granted a warriors death leaving here on his faithful steed, doing what he loved the best. Rest in Peace dear one, we will not forget. In our hearts for now, til we meet again.

Love to all who are in mourning this missing man.

“ Shawn was a very hard working man. Always remember him mowing the lawn and taking care of his yard. You could always count on a friendly, warm smile when waving to him as we left our driveway. A wonderful neighbor- we will miss him. Lori, We are here for you. With prayers and love, Connie and Tony
